LEADERSHIP & COMMUNITY INVOLVEMENT

BTHS Action, Brooklyn, NY **May 2024 – Present**
Vice President

- Worked with the President to host monthly engaging club meetings for over 100 members, such as running games or movie nights.
- Maintain the website, where members can easily sign up for volunteer events, leading to over 300 volunteer hours contributed.

EXPERIENCE

Workplace Challenge with Duolingo **November – December 2025**
Participant ***Brooklyn, New York***

- Learned about the design and prototype process of creating an app.
- Designed and presented an educational app at Duolingo.

Center for Family Life, Brooklyn, NY **July – August 2025**
Office Assistant Intern ***Brooklyn, New York***

- Managed and processed documentation for 700+ program participants, ensured 100% accuracy and ease of access.
- Collaborated effectively with a team of 3 peers to support the administrative team and meet all deadlines.
- Played a key role in an office reorganization by moving supplies and boxes.
- Helped maintain seamless office operations by proactively assisting with filing, organization, and other administrative tasks.

PROJECTS

FTC Robot | Java, FTC SDK, RoadRunner, Limelight, Pinpoint

- Programmed the control system for FTC Team 27705's BIOBUZZ robot, including RoadRunner mecanum drive, Pinpoint localization, Limelight vision, and PID-controlled mechanisms.

Study Room | TypeScript, Next.js, TailwindCSS, tRPC, Prisma, React

- Developed a collaborative study platform for peers to focus together in real time.
- Implemented user authentication and real-time updates for shared study sessions.

BTHS ACTION | TypeScript, Next.js, TailwindCSS, tRPC, Prisma, React

- Maintain the full-stack website for a 100+ member volunteer club, streamlining event sign-ups and announcements.

Portfolio Website | TypeScript, Next.js, TailwindCSS, React

- Designed and deployed a modern portfolio to showcase projects and professional growth.
