LEADERSHIP & COMMUNITY INVOLVEMENT

BTHS Action, Brooklyn, NY

May 2024 - Present

Vice President

- Worked with the President to host monthly engaging club meetings for over 100 members, such as running games or movie nights.
- Maintain the website, where members can easily sign up for volunteer events, leading to over 300 volunteer hours contributed.

EXPERIENCE

Workplace Challenge with Duolingo

Brooklyn, New York

Participant

Nov 2025 - Dec 2025

- Explore and learned about the design and prototype process of creating an app
- Designed and presented an educational app @ Duolingo

Center for Family Life, Brooklyn, NY

Brooklyn, New York

Office Assistant Intern

July 2025 - August 2025

- Managed and processed documentation for 700+ program participants, ensured 100% accuracy and ease of access.
- Collaborated effectively with a team of 3 peers to support the administrative team and meet all deadlines.
- Played a key role in an office reorganization by moving supplies and boxes.
- Help maintain seamless office operations by proactively assisting with filing, organization, and other administrative tasks.

PROJECTS

Study Room | TypeScript, Next.js, TailwindCSS, tRPC, Prisma, React

- Developed a collaborative study platform for peers to focus together in real-time.
- Implemented user authentication and real-time updates for shared study sessions.

BTHS ACTION | Typescript, Next.js, TailwindCSS, tRPC, Prisma, React

- Maintain the full-stack website for a 100+ member volunteer club, streamlining event sign-ups and announcements.

Portfolio Website | TypeScript, Next.js, TailwindCSS, React

- Designed and deployed a modern portfolio to showcase projects and professional growth.
